

## ZVK-IR/UV Filter Sealing Pack 1.63\*8.36

Article number: 11177569

### overview

- 5 IR/UV cut filters and sealings for VCX cameras with ONSem Python300, Python500 and Python1300 sensors to install a filter in mono-chrome models
- The exchange causes a modification of the optical distance and makes the focal flange distance longer. Please check the suitability of the chosen lens.
