

## ZVK-Sealing Pack 3.05\*11.3mm

Article number: 11177214

### overview

- 5 sealings for VCX cameras with ONSemi Python2000 and Python5000 sensors to install instead of the filter in color models
- The exchange causes a modification of the optical distance and makes the focal flange distance shorter. Please check the suitability of the chosen lens.

### technical data

#### mechanical data

weight ≤ 10 g

#### Principle
