

Fiber Optical Cable SFP+/SFP+, 10,0 m, flex

Article number: 11214517

overview

- Fiber Optical cable for 10-GigE connection
- SFP+ module to SFP+ module (direct attached)
- cable carrier compatible
- suitable for robotic applications
- length 10.0 m
- Juniper Coding

technical data

electrical data

connectors SFP+

mechanical data

use in cable carriers yes, flexible cable

cable length [m] 10 m

weight ≤ 500 g

interface

data interface 10 GigE

environmental conditions

conformity CE
RoHS
