

# Rotation lock M40 VA4 IP69K

Article number: 11208731

## overview

- Rotation lock for Housing base set B V4A VCXG.I r IP69K (11208744) with clamping part for safe position locking

## technical data

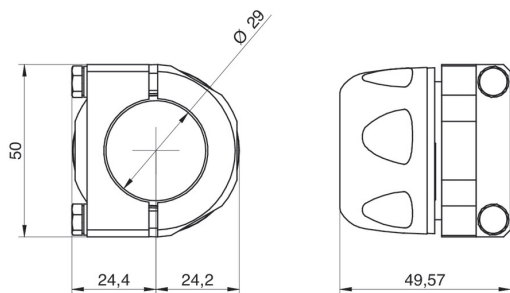

### mechanical data

|            |                 |
|------------|-----------------|
| dimensions | 52 x 48 x 20 mm |
| weight     | ≤ 140 g         |

### mechanical data

|          |                        |
|----------|------------------------|
| thread   | M40 × 1,5              |
| material | Stainless steel 1.4404 |

## dimension drawing

## Principle
