

## ZVK-IR/UV Filter Sealing Pack 2.06\*9.83

Article number: 11177565

### overview

- 5 IR/UV cut filters and sealings for VCX cameras with Sony IMX250 and IMX265 sensors to install a filter in monochrome models
- The exchange causes a modification of the optical distance and makes the focal flange distance longer. Please check the suitability of the chosen lens.
